

## Blood Bank At The Legion Wednesday July 20th

And, please, all you wonderful Donors, your precious blood is really needed right now!

Blood donating is off as much as 25% in some of the major cities of the State. Mostly due, Red Cross Blood specialist feel, because of all the publicity - some very inaccurate and almost hysterical - that has been in the press, radio and TV about AIDS disease. Now, many Donors believe there is a possibility of catching the disease by the process of donating blood.

The Medical Profession and Blood Service Scientists are unanimous in their declaring there is no possibility of contracting AIDS from the procedure of donating Blood! And no Donor should be concerned for one moment that there is any risk involved in giving Blood.

## \$3,000 In Military Clothing Stolen

Approximately \$3,000 in military camouflage clothing was reported stolen from the Camp Grayling Post Exchange on July 8th. Military and Crawford County Sheriff Dept. officials investigating the crime said the theft took place between June 25 and July 8.

In other police news, two Camp Shawono walkaways were apprehended along M-72 after they were reported missing at 2:30 p.m. Saturday.

A breaking and entering of an occupied building was reported in the early morning hours at the residence of Cecil Kilbreth in South Branch Twp. along DeWitt Trail. The B & E occurred after midnight July 4 and anyone seeing suspicious persons in the area the night of July 3rd or the early hours of July 4th are asked to call the sheriff dept.

## Kids' Troutarama Coming July 29

A Kid's Troutarama sponsored by the Grayling Winter Sports Carnival will be held Friday, July 29, to help kick off Milltown and AuSable River Canoe Marathon activities.

The fishing fun will start at 6:30 to 8:30 a.m. for kids 15 and younger. Entry fee will be a Winter Sports Carnival but-ton available at the fishing site to be named later.

## Stocktons Record Another Win

Butch and Brett Stockton, the current AuSable Marathon title holders, notched another victory last weekend winning the two-and-a-half hour Au Train canoe race.

The Stocktons picked up \$700 beating out 22 other teams. They finished three minutes ahead of the second team.

The Stocktons tune up in a five-hour race at Manton this weekend for their last race before the AuSable River Canoe Marathon.

## Citizen of the Year Potluck

The Citizen of the Year for Crawford County will be named at a Potluck Dinner to be held at Hanson Hills on Monday, Aug. 1.

Nominations for the award may be made by writing to the Grayling Regional Chamber of Commerce. The letter must include the qualifications of the nominee and any pertinent information that would add to his or her chance of being named for the award.

The makeup of the letter will not be a factor in the judging of any nominee, however the letter must be legibly written or typed.

The judging for the award will be made by a three person panel with chamber president Joe Wakeley as chairman. Letters must be submitted prior to Tuesday, July 26.

The dinner at Hanson Hills will be under the direction of Howard Taylor, manager of the recreation area.

## Calling All Musicians

### Community Band Now Rehearsing, More Musicians Needed

## 1st Open Horse Show Scheduled in County

With plans for Crawford County's first annual fair heading for take-off in August, fair officials have announced the county's first Open Horse Show will be held August 20 at Hanson Park.

Halter classes will kick the new event off at 10 a.m. with pleasure and Equitation classes to follow in both Western and English divisions. In the afternoon, six different speed events are on the program.

All classes are divided into age groups: 12 and under, 13 to 15, and 16 and older. Ribbons will be awarded to the first six finishers in each class and each age group and 11 high point and 11 reserve trophies will also be awarded. The ribbons and trophies have been donated by area businesses who are sponsoring each class.

Fair officials predict some of the finest equestrians in the state will attend along with the county's finest.

## Engineer Group from Ohio Training at Camp Grayling

The 416th Engineer Group is presently being housed at Camp Grayling, Michigan, until July 23rd. This Ohio Army National Guard unit is based in Walbridge, Ohio near Toledo.

The 416th was originally based at Brookpark, Ohio, near Cleveland. In 1978 the unit made the transition from a military police group

to an engineer group.

The 612th Engineer Battalion from Walbridge and the 112th Engineer Battalion from Brookpark fall under control of the 416th Eng. Gp.

The main purpose for assignment this summer at Camp Grayling is field training. Men and women will work and live under military field conditions.

## AuSable Property Owners Meet

By A.C. Sager

The 17th Annual Meeting of members of the AuSable River System Property Owners Association was recently held at the Shoppenag Motor Hotel in Grayling. James J. Robison, a Past President, presided due to the absence of President William H. Palmer and Vice President Charles H. Raches who were on vacation.

New directors were reported elected for the term which expires in 1986 as follows: Michael W. Delp, Richard A. Smith and Michael R. Wieland. Delp and Wieland are teachers at Grayling High School and busy in local activities. John S. Foley of the South Branch was re-elected for a second term.

Officers elected were as follows: Raches, President; Robert C. Franklin, Vice President and Delp, Secretary/Treasurer. Delp succeeds Abner C. Sager who had served for nine years and had announced that he was not available for re-election as a director.

Colonel Ivan Gwilt, Commanding Officer at Camp Grayling, explained the Guard's desire to work and cooperate with the local people. He answered many questions. Gary Schnicki, District Fish Biologist whose office is in Mio, reported on what is happening to our rivers.

He explained the "No Kill" regulations on the South Branch which started on April 30 and will run for five

years. He will have a progress report in about three years.

He stated that a continuing creel census on the "flies only" water of the Main Stream indicates that fishermen seem to be happy with the size limit since reduced to 8" to 12" and put back 12" to 16". There are less legal fish in the river but more fish are caught and caught and released.

Sheriff Joseph P. White reported that he was able to finance an additional full time deputy who started June 1 and would continue thru December 31.

## Grayling Hosts LL All-Stars

Millikins Field will be the site of a ten-team Little League All-Star tournament — the largest Little League tournament held in northern Michigan this year.

Improved facilities at the ball field netted the tournament for Grayling and play will begin Monday, July 18. Games will be played Monday, Tuesday, and Wednesday, July 18-20, at 2 p.m., 4 p.m., 6 p.m., and 7:30 p.m. each day.

The Grayling All-Stars take the field Monday at 6 p.m. against West Branch. Representing Grayling will be Ron Bancroft, Derek Christman, Mike Goddard, Kraig Hudson, Marty Jung, Brian Kernstock, Steve Lehti, Todd McDonald, Bud Ostrowski, Steve Peterson, Flaskie Robbins, Joe Ruddy, Chris Skidmore, Mike VanHill, and coaches Larry Ostrowski and Howard Lehti.

**LOOT RECOVERED**—Crawford County Sheriff Joe White displays some of the goods stolen by two prison inmates from a Lovells residence. A television, snow-blower, chain saw, firearms, furniture, antiques, and pick-up truck were recovered. A motorcycle taken hasn't been recovered yet.

## RHS Named Among Top Schools in Nation

Roscommon High School has been honored as one of the best schools in the United States, the federal Dept. of Education announced.

The school received state recognition for excellence in education and went on to win national honors.

Superintendent Hans Lantzsch, who earlier said state recognition was an honor for teachers, students, administration, and parents in the district, was notified last week that RHS was one of 144 schools in the nation selected as exemplary institutions.

Other Michigan schools receiving recognition were Bloomfield Hills Lahser High School, Grosse Pointe South High School, West Ottawa Middle School in Holland, and Sturgis High School.

"I think RHS is carrying the flag for all the fine schools in the North," said Lantzsch. "We feel there are many extremely fine high schools in the North."

Roscommon High School is in the Gerrish-Higgins School District, which covers part of Beaver Creek Twp. and all of South Branch Twp.

## Youth Job Program Employs 50 in Area

The Michigan Summer Youth Job Program is in full swing in Crawford County employing fifty persons in area projects.

The first work crew began June 22 at N. Higgins Lake State Park - one of the first crews working in the state - and now nine work crews are employed throughout the county.

Jim Karpicki, from the Grayling MESC (Michigan Employment Security Commission) office said nearly all of the youths eligible for summer jobs in the county have been hired. Eighty persons applied but some were ineligible because they already had jobs and others found jobs before the state job program got underway.

A nine-person crew is employed at the North Higgins Lake State Park, in the southern end of the county, planting trees and tending the first pine plantation in the state.

Another nine-person crew is employed at Hartwick Pines State Park maintaining the

park and working on grounds. The MacMullan Conference Center also has a nine-person crew working on grounds and building maintenance.

Three youths are working out of the Grayling DNR field office improving public access sites.

The Crawford-Roscommon Soil Conservation District has 18 youths thinning cedar swamps and working on a variety of projects.

In addition three persons have been hired to work at the Crawford County Fairgrounds and a large crew of youths are employed through the Dept. of Transportation working on state highways in a several-county district.

The COOR Intermediate School District and Northeast Manpower also have crews comprised of area youth working on projects throughout their regions.

Most of the jobs will last 8 to 12 weeks and Lansing job program officials said by mid-July all of the 25,000 jobs in the state are expected to be filled.

## More Road Projects Slated for County

Crawford County, which already received three major state road projects this summer, will have two more projects bid for July 20 in a Michigan Dept. of Transportation bid-taking.

The new projects to be bid are resurfacing with addition of paved shoulders on 7.4 miles on M-72 from the Kalkaska County line to Grayling I-75 Business Loop and bridge repair work on the M-72 Manistee River Bridge.

Those projects have May, 1984, completion dates. State projects scheduled for this summer are 30.7

miles of upgrading US-27 from southern Roscommon County to the I-75 junction in Beaver Creek, 5.8 miles of resurfacing on I-75, and 7.8 miles of county roads including 3.1 miles of County Rd. 502 from M-72 south, 2.8 miles of Four Mile Rd. west of I-75, and 1.9 miles of Stephan Bridge Rd. north of M-72.

The county road project is expected to be finished in November. The US-27 job will be finished in September. The I-75 work will be finished by August.

The total price of the three projects already bid for is \$1,328,687.

## Inmate Escapees Captured

Two prisoner escapees from the Marquette jail system were captured Friday near Alpena with goods believed stolen from a Lovells residence.

The two escaped from Camp Baraga near L'Anse Monday, July 4, using a stolen pick-up truck. The pair allegedly were involved in a hit and run accident with another vehicle in Montmorency County and were chased Wednesday by Crawford County sheriff deputies and other police in woods near Lovells after they abandoned the pick-up.

The escapees allegedly broke into a Lovells residence and stole another pick-up, motorcycle, firearms, and other household items.

The pick-up and firearms were recovered Friday when police arrested the pair. Dale Stimpson, 21, of Wyandotte, and Kenneth Thompson, 26, of Warren, were taken to the Crawford County jail to await charges. Stimpson was serving 1 to 10 years for armed robbery and 2 years for using a firearm in a felony and Thompson was serving 3 to 5 years for burglary and receiving stolen property.

## Maple Forest Approves 1-Mill Fire Coverage Levy

Maple Forest voters approved a one-mill levy for fire protection by a 45 yes to 25 no total.

Maple Forest Clerk Susan Keene said the 72 voters casting ballots out of 228 registered voters represented 32 percent of the voters in the township.

The one-mill levy will be included on this winter's tax bills and will go toward paying fire protection in the township. Currently the township is paying Frederic Township on a day-to-day basis for protection. A final decision on where to buy fire protection is expected at the July 21st township meeting.

**SPECIAL OLYMPICS**—Dawn Whaley who is headed for the National Special Olympics competition in Baton Rouge, La. was partially outfitted last week when Joe Wakeley (l) president of the Grayling Regional Chamber of Commerce handed her a tee shirt and Larry Raymond of R & H Sports supplied running shorts and shoes. Dawn will be competing in the 50 meter run and the standing broad jump.

## From Our Corner...

We never thought a city limits sign could look so beautiful until last Wednesday afternoon when Thelma and I finally arrived in Grayling and noticed the sign...what started out as a possible week to 10 days spent at Mayo Clinic and St. Mary's Hospital for surgery for Thelma turned into a six week nightmare...

We missed the entire month of June and to us it seems like it should be Labor Day already...we do not know what we would have done during our stay in Rochester without our daughter Toni...she kept our spirits up when we were at low tide...was company during meals and in the evening after visiting hours...the days were long enough for both of us let alone had we been out there by ourself...

Instead of the one surgery for the aneurysm, complications set in and Thelma went through three other surgeries to stop a spinal fluid leak through her sinuses...with the four, Toni and I spent many hours in the waiting room, and on the wall was this sign...which we must have read a hundred times...

### It's Those Things

**That I can see and understand  
That enable me to trust Him  
With those that I cannot see  
nor understand.**

those words kept our strength up during those long hours when it seemed like the clock would never move...

We did have a few bright spots while we were out there...the morning Thelma was in her first surgery, John Kraus called us at the motel, he was out seeing his doctor, and was sort of a surprise hearing from him...then one day when Toni and I were going for lunch we met Earl and Loretta Whaley in front of the hospital...they and their family were headed west on vacation and stopped in to see Thelma...

Just a few days before we left... Dick and Ann Hamlin and Richard Smith came to see Thelma as Dick was going to go into Methodist Hospital for surgery...Toni and I spent an afternoon with the three of them as they showed us around Rochester and then Ann and Richard joined Thelma, Toni and I for dinner the evening that Dick went into the hospital...Richard even helped us out, as he drove us to the airport Saturday morning so we could catch our flight back to good old Michigan...

Our trip to Minnesota was not all contained in the hospital for concern...Thursday night before we were to leave we were in our room following dinner (third floor mind you) when a tornado warning sounded around 8 o'clock and the sky turned black...the three of us went to the cocktail lounge area where everyone went because there were no windows until the all clear was sounded...we had a cool-aid while Thelma and Toni had hot chocolate, courtesy of the motel...we learned the next morning the twister set down about five miles from us...

All in all it was an experience I hope we never have to go through again...getting back to Michigan was like the time when we arrived back in the states from Korea following World War II...

I join with Thelma in our deep appreciation for the many cards, flowers and prayers during her long stay at St. Mary's Hospital in Rochester...there are no words that can describe our sincere feeling for those who took the time to brighten the dark days while we were so far from home...may God bless you all...

All the news from Grayling was not cheerful...we were saddened when we learned of the death of Glenn Sawyer...we first met Glenn when he would come to Grayling as a Captain in the Indiana National Guard and for many years we bowled on the same team enjoying many bowling tournaments...our friendship spanned many years...we will miss him as we know his family does...it was a shock to us and we felt bad that we were not in Grayling to pay our last respect...

We've had to be re-programmed since we arrived home...six weeks away from the salt mine, one gets a bit rusty...we also noticed that the gang got your favorite newspaper out and on time, showing that we really are not indispensable...anyway, tis good to be back, and for now we will say good-night T.J., Stefany and Amber and to all of our readers, have a nice weekend...Milltown Festival is approaching fast...plan on attending all the events...

J. C. Foreman and William Cody drove through to Saginaw with auto loads Tuesday morning to attend the horse races. Among those in the loads were Esbern Olson, David Montour and Harold Rasmussen.

Miss Mildred and Master Emerson Bates left on Thursday for Grand Rapids to visit their sister, Mrs. Benjamin Jerome.

Neil McDaniels has resumed his old position as deliveryman for the Express Company as Bert Chappel has resigned and has left for Flint to work.

Miss Anna Nielsen of the Salling Hanson Company office is spending her vacation in Detroit and other cities.

Phil VanPatten is back assisting in the Collen's restaurant, as Howard Bradley has resigned the position.

The opening dance party at the Collen's dancing pavilion at Portage Lake on Saturday evening last was a very enjoyable affair. A number of the young folks from here drove out in machines and with the resorters from all around the lake made a very enjoyable party.

Bradley's orchestra furnished excellent music. Miss Hattie Gierke is the new bookkeeper and clerk at the Salling Hanson company general store.

Last Friday the W.R.C. ladies were invited to spend the day with Mr. and Mrs. W.S. Chalker at their home in Maple Forest. Through the kindness of auto owners they were able to make the trip in about one hour, with the exception of Mr. Hans Peterson who tried to climb a stump, Helen Bauman getting stalled on top of a hill, and Mr. M. Hanson having to come back to town after gasoline.

## The Bible Speaks

From Calvary Baptist Church

Major on Essentials  
Romans 14:16-18

Often the Christians who believe the Bible most, are sidetracked by Satan into fighting over nonessentials, rather than being united in their defense of the essentials of the faith. People argue over little things where the Bible is not clear, and ignore big things where the Bible puts the clearest and greatest stress.

1. Goodness does not hinder gossip. "Let not then your good be evil spoken of." Verse 16. It is important that a Christian use discernment to avoid the appearance of evil. "Abstain from all appearance of evil." I Thessalonians 5:22. It is not enough just to be good, it is essential that we protect that

Christian image around others to avoid untrue assumptions and accusations against us.

2. The spiritual realm is more important than the physical realm. Sins of the spirit are far worse than sins of the flesh. "For the kingdom of God is not meat and drink; but righteousness, and peace, and joy in the Holy Ghost." Romans 14:17. Listen to the words of Jesus on this: "There is nothing from without a man, that entering into him can defile him: but the things which come out of him, those are they that defile the man." Mark 7:15. "And he said, That which cometh out of the man, that defileth the man. For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness: All these evil things come from within, and defile the man." Mark 7:20-23. Notice that every one of the above sins begins in the heart, and robs man of righteousness, peace and joy.

3. Be a servant to our Lord Jesus Christ in everything you do, and he will take care of everything else. "For he that in these things serveth Christ is acceptable to God, and approved of men." Romans 14:18. If we love and serve God with all our heart, soul, mind and strength, and love our neighbor as we want him to love us, then God will accept and approve of our lives and so will the common man. (adv.)

## 5 Crawford Co. Avalanche Services Held For William Sherlock, 22

William M. Sherlock, 22 of Roscommon, passed away at his home on Tuesday, July 5, 1983. Memorial services were held Saturday, July 9, 1983 at 11:00 a.m., with Father Tamulis officiating. Mr. Sherlock was born in Lansing and was a student at Michigan State University. He graduated from Grayling High School in 1979.

He is survived by his mother and step father, Jack and Kay Lund, of Roscommon; Father, William Sherlock, of Jenison; one sister, Annette Alvarez, of Brownsville, Texas; two brothers, Tom and Barry, both of Jenison, grandparents, Marvin Miney, and William Sherlock both of Ludington. Memorial contributions may be made to the Crawford County Public Library.

## Thurs., July 14, 1983 District Court

The following persons appeared before 83rd District Court Judge Francis L. Walsh:

Thomas Charboneau, 47, of Roscommon, plead guilty to a charge of disorderly person by intoxication in a public place - endangering self and others. He was fined \$105 or 10 days for the offense cited June 19 by sheriff deputies.

Rodney McCallum, 26, of Owendale, plead guilty to a charge of disorderly person and was fined \$105 or 10 days. The disorderly persons charge was added as a second county on motion of Prosecutor's office. The first county, carrying a concealed weapon, was dismissed on a motion by the Prosecutor's office. He was cited April 9 by the sheriff dept.

## Celebrates 85th Birthday

Mayme Straehly was honored for her birthday by the Eastern Star on June 22nd, at an initiation meeting. She was 85 years old on June 26, 1983.

It was a night to be remembered by her as it was called Mayme Straehly night. She was saluted for her work in the Eastern Star as well as church and other activities. Along with a beautiful decorated cake and a delicious lunch, she received many cards from the officers and from friends who came out special to honor her. The following is a tribute to her composed by Roberta Wright.

## TO MAYME STRAEHLY

Here's a toast to a Star who rates tops on our rolls!  
She's gentle, she's sweet, she's a dear!  
Her worth to our Chapter outweighs any scale;  
She's worked here for fifty-three years!

Our Ritual passages (front to the back)  
She recites, word for word, in a flash.  
With her dignified bearing and quick, easy smile  
She delivers each lecture with "class"!

All down through the years she has taken the chairs,  
Then "filled in" when Matrons cried "Please".  
Although she has slowed just a "mite", understand,  
She still can recite it with ease!

She gave to our Chapter two daughters, as well,  
To serve in our East in their turn.  
And they, like their Mom, learned each lecture and charge,  
Each star point, each flower and fern.

And now she's retired - only "semi", of course,  
For we still hear her voice at the Prayer—  
But the floor work, the marches, and things of that sort  
Are left to the young members' care.

So salute this dear lady, for 85 years  
Of the quality life all would claim;  
And wish Happy Birthday for years yet to come  
To FAIREST AMONG THOUSANDS — our Mayme!

## Mackinaw Island

October 5, 6 & 7 — The Senior Citizens of Crawford County have an opportunity to join 500 other Senior Citizens under the MRPA Dept. (Michigan Recreation & Parks Association) at the Grand Hotel on Mackinaw Island.

We will leave here at 8:00 a.m., have a coffee break, go to Mackinaw City, have lunch, go across on the boat, take a horse & carriage to the Grand and check in. Then later we will have a cocktail party, a fancy dinner, bingo, cards, and dancing. The next day we have a super breakfast - whatever you want - a 2 hr. carriage ride, the \$15.00 super buffet, golf, tennis, horseshoes, shopping or sightseeing, a champagne party, a costume party with dinner (the roaring 20's is our theme), dancing, cards, etc. and picture taking.

The 3rd day - breakfast, boat across and a special day with dinner at a real nice place and home. All this for \$175.00 per person. If interested, contact the Senior Citizens Center at once. Stop by the Center at 308 Lawrence in Grayling, or call 348-9314.

## Open House

Barb & John Sojka are having an Open House to celebrate Don Borchers' 60th birthday to be held July 24th from 5:00 to 7:00 p.m. at their home on Edgewater Lane off of Stephan's Bridge Road. Cards only, please.

Youth Services  
Bureau

The Youth Service Bureau started the July Recreation Program with two events. On Tuesday, we held our weekly Exercise and Nutrition Class. We had twelve children attend and they all worked very hard. In the afternoon, we held our Gun Safety Day. Ten children attended this event and all left with a better understanding of how to handle and care for guns. On Wednesday and Thursday we took a group of students to Perry Lake, near Fairview, for a two day camp-out. Everyone, including our staff, had a great time.

A reward has been offered for any information leading to the apprehension of the person responsible for putting the snake in Amy's sleeping bag or the crab in Heidi's purse during the camp-out at Perry Lake. Please call our office at 348-2841 Ext 262. Complete confidence will be extended.

We would like to extend our special thanks to Dick and Dennis Mansfield for their help in putting on the Gun Safety Workshop and to Lenny Mahaffy for the use of his van this week. Thanks Guys!

Next weeks events include:

Mon. - Exercise & Nutrition, Mill Tour.  
Tues. - Bowling.  
Wed. - Ambulance Tour, Outside Games.  
Thurs. - Canoeing.

Satanic Messages  
in Rock Music

A sobering and informative program presented by Michael Mills, President of Research Ministries of Coldwater, Michigan.

Mills, 27, through taped excerpts from many of today's top rock groups, will expose through lyrical content messages that blatantly worship Satan, encourage love pact teenage suicides, promote homosexuality, sadomasochism and mock Jesus Christ.

The multi-media presentation will include 100 plus slides describing album covers that contain occultic symbols and subliminal messages. The program will also involve playing hidden messages that can only be found while playing the music in reverse.

This international presentation has been received by thousands of parents and teenagers in churches, auditoriums, high schools, and colleges; it is now available in cassette that has been made available to the public. To receive a cassette tape write, Michael Mills, P.O. Box 574, Coldwater, Mich. 49036.

This Research Ministries presentation will be at Grayling High School Auditorium on July 21, Thursday, 7:30 p.m.

### Governor Proposes Strategic Investment Fund

Warren M. Hoyt, Executive Director, MPA

Governor James Blanchard has unveiled a proposal, which was later introduced in the Legislature, to create a Michigan Strategic Fund to provide additional venture capital to accelerate the state's economic diversification and growth.

An immediate \$54 million is available as "seed" money for the fund while future funding is uncertain until negotiations are completed with state financial institutions.

Under the proposal, a strategic fund would be created along with an outline of the powers and duties of the fund's board of directors, mostly representing the private sector.

The fund would coordinate efforts to eliminate any duplication of efforts, provide for the guarantee of federal funds for venture capital and then make allocations on a case-by-case formula to Michigan business and industry.

Other proposals under the plan would provide for the establishment of the Center for Assistance to Private Enterprise, which will be a part of the fund, to provide for leverage of private capital by participating in loans to create and retain jobs in Michigan and the establishment of the Center for Product Development to leverage private participation in the development of new products, devices, inventions and techniques.

Other features of the plan include the establishment of:

- A Center for Loan Insurance which will leverage additional financial availability to businesses through an array of insurance mechanisms.

- A Center for Assistance to Local Governments which will be designed to stimulate local investment in public works by providing loans and loan guarantees to municipalities.

- A Center for Minority Venture Capital to stimulate additional financial investment in minority enterprises by providing tax credits to corporations providing financing for minority businesses.

- A Center for Research and Development to providing financing to non-profit research institutions

working in the area of emerging technologies.

For an additional incentive for minority venture capital, the proposal also suggests an amendment to the Single Business Tax Act providing for investment tax credits at 50 percent of the total amount.

Blanchard said the fund will be used to better manage and coordinate existing state development financing and debt management programs.

Current state programs to be included within the new proposal are the Michigan Economic Development Authority and the Job Development Authority.

The governor said the program will provide long-term benefits for the economic well-being of the state. He added that the success of the program will hinge on the willingness of the private sector to participate actively in the program.

Blanchard said there are ongoing negotiations with representatives of the financial community to make future investments in the fund.

He said he was willing to provide "flexibility" on banking regulations in return for future venture capital adding he remained open-minded on banking regulatory matters, especially interest rates, but this was coupled with a commitment to the future by the financial community.

"The Michigan Fund is a vital component of our strategy to develop jobs for our state. It will set Michigan on course that is bold and far more innovative than that of any other state," Blanchard said.

He added the proposal is designed to bring greater efficiency and less bureaucracy to Michigan's existing financial assistance programs for business development by consolidating programs and centralizing them.

The proposal was introduced in both the state Senate and House of Representatives to allow legislators an opportunity to review the proposal over the summer recess.

Early fall passage of the proposal into law is expected.

## Engagement Announced

Mary Jane Young, of Grayling, and Steven Weaver of Frederic, Mich., are happy to announce the engagement of their daughter Dawn Marie to Shawn Michael Gibbons, the son of Tom & Judy Gibbons of Grayling.

A November 20th wedding is planned.

### Cyd Charisse At CC Playhouse

Sales are brisk for the one-week run of "Cactus Flower" starring Cyd Charisse at Cherry County Playhouse. "Cactus Flower" is a classic comedy of mistaken identities in which married men, bachelors, wives and receptionists get mixed up. The beautiful Miss Charisse will star as "Stephanie Dickinson" in this Abe Burrows comedy.

Cyd Charisse began her career in ballet and toured both the United States and Europe with the Ballet Russe. As her career continued she gained fame as an actress as well as a dancer. She starred with Gene Kelly in "Singin' In The Rain" and "Brigadoon" and with Fred Astaire in "The Band Wagon." In addition to her film credits, Miss Charisse's stage credits include "Once More With Feeling", "Darling", and "Damn Yankees". She also has a nightclub act with her husband Tony Martin.

The second show of the season, "Cactus Flower" opens on July 12 and runs through July 17. A Saturday matinee has been added to this season's performance schedule at CCP due to the popularity of last year's matinees. The matinee replaces the early evening show on Saturday. The performances schedule is now Tuesday through Saturday at 8:30 p.m., Sunday at 7:30 p.m. and Thursday and Saturday at 2:00 p.m. For ticket information call (616) 947-9560, or by writing P.O. Box 661, Traverse City, MI 49685.

### Editor's Mailbox

Dear Whitey,  
We just returned from visiting Sandy and Carl Reynolds in Orlando. Since Sandy isn't able to write herself she asked us to let everyone know that she really appreciates all the cards and prayers she has received from Grayling. She has been home since July 1. She is weak and her whole leg is in a cast but she is getting a little better each day. She is under the care of a physical therapist and may soon be using crutches. Her spirit is great and her sense of humor is as good as ever. Her family is extremely happy to have her home.

We would like to end with a direct quote from Sandy, "Everyday I get a card from Grayling and they mean so much." So friends of Grayling, your cards and prayers are still appreciated. Their home address is: 9200 E. Turkey Lake Rd., Orlando, Florida 32809.

Sincerely,  
The Nunns

## Forestry Festival July 21-23 at Mio

Mio, Mich.—Millions of prime Michigan forestlands spread out throughout Michigan lower peninsula from their heartland, Mio, on the AuSable River, scene of the 24th annual Great Lakes Forestry Exposition July 21-23, 1983.

The 3-day festival recognizes the contributions made by Michigan's forest products industry and the people who work in the industry. And, it is one of the largest summer tourist festivals in the state, according to the East Michigan Tourist Association.

The festival is headquartered at the Oscoda County park in Mio on the banks of the AuSable River. Featured are exhibits of wood products equipments. Competitions are staged in woodsman's skills including chopping and sawing plus axe throwing, log birling and canoe tilting.

Other activities include games for attending your

games for attending young people, cakewalk, tug-of-war, arts troupes, fire department water battles, horseshoe contest, square dancing and visits by Smokey Bear and Woody Owl.

The finale is the Water Pageant on Mio Pond (AuSable River) at 10 p.m. Saturday, July 23.

Dear Whitey,  
Please renew my subscription to the Avalanche, "the best hometown paper ever written" (editorial opinion-mine). Like almost every person who has ever lived in Grayling, I may reside some place else now, but Grayling always feels like home.

I hope all is well with you and your family by now.

Since my father is now doing God's gardening, I will be relying on all the things he taught me, and all the information the gardeners of Crawford County told me a few years ago, with a liberal helping of Bill Bosserman and Merrill Baldwin's hand-out sheets from the co-operative extension service from three years ago...and hope that something worth harvesting will come up. Last year I bought 22 packs of seeds, planted them, and got three marigolds...period. Dad planted his garden last year with old seeds and chicken yucky...grew enough stuff to feed 11 of us all winter long. So far this year, all the seeds I planted have either frozen, got flooded out, or got plowed under again by another well-meaning gardener. I keep hearing chuckles from on high at my meager efforts.

I work for a Septic Service in Romeo now. Curious twist in careers...after years of sending "it" out over the airwaves, I now dispatch trucks to pump "it" out of septic tanks.

Like always, I'll stop in to see you when I come in to Grayling for R & R.

## Blueprints For Family Living

by Nancy K. Holcomb

Children are one of God's greatest and most precious gifts: a blessing from the Lord "equal unto the angels;" for they are the children of God.

With this blessing comes the responsibility to raise and nurture these our children in the ways of the Lord as Jesus has instructed, "Suffer little children, and forbid them not, to come unto me: for as such is the kingdom of heaven."

Yet in a generation where "self" is rated number one, children are often passed over, forgotten and ignored. We as parents of this our generation fail to see that what we do (or do not) teach our children today, affects what becomes of these our children tomorrow. We must constantly beware less our children become 'a very willful generation, children in whom (there) is no faith.' Children who, like the lost children of Israel, are sentenced to spend their lives in the vast emptiness of the dry desert of a faithless world.

Instead, if we can approach our children with the love for one another as Christ directed & the willing-

ness to frequently put their needs above our own, then we as parents will have accepted the responsibility for this the Lord's blessing. Our generation will then have accepted "The burden of the word of the Lord... (which) stretcheth forth the heavens and layeth the foundation of the earth, and formeth the spirit of man..."

### Bits O'Talk

Dr. and Mrs. William Gould of Baltimore, Md., had a baby boy, William Brett on July 11, 1983. He weighed 7 lbs. 11 ozs. Grandparents are Mrs. Lora Gould and Mr. and Mrs. Jack Welch of Mt. Pleasant.

Al & Lois Kesteloot spent 10 days in June visiting the Alvin Critcher's in Gatlingburg, Tenn.

Rick, Barb & Shannon Anglebrant spent five days over the 4th of July at their cabin on Shaw Park Road visiting friends and family in Grayling.

Word has been received of the death of Walter Critcher, of Henderson, N.C. on May 28, 1982. Mr. Critcher was a former resident of Grayling for thirteen years. He is survived by one daughter, Mrs. Pauline C. Roberson, and one son, J. Alvin of Gatlingburg, Tenn.

Guests at the home of Helen Clippert over the 4th were, Mr. and Mrs. James Brown of Toledo, Ohio, and their son Ron of Michigan Tech. at Houghton. Ron is Mrs. Clippert's grandson.

Thomas Douglas, son of Tom & Geneva Douglas of Traverse City, has become a partner in the law firm of Blakeslee & Chambers in Traverse City. He has been associated with the firm for 3 years. Thomas is the grandson of Beulah Moore.

Mr. and Mrs. Paul Hendrickson of Alpena spent a few days visiting the Carl Bartell's.

A family reunion was held Saturday at Hanson Hills Recreational Park in honor of Angela Kirkums 84th birthday. Relatives attending were from Florida, Mt. Clemens, New Baltimore, Sterling Heights, Acherville, Lake Orion and Grayling. A total of 68 attended.

### Editor's Mailbox

Dear Whitey,  
During my recent stay in the Grayling area, I was shocked and saddened to see what the D.N.R. has seen fit to do with the Mason Tract of the South Branch of the AuSable.

If many years ago my father had given in to pressure as the DNR, there would probably be a cabin every 150 feet along the banks right now.

It was my understanding that the Mason Tract was left to all the people of the State of Michigan, not just several hundred who prefer not to kill fish!

I hope that in the future the State of Michigan will correct its grave error as it was clearly made to quiet a vocal special interest group. The rest of Michigan residents deserve more.

Sincerely,  
George Mason Jr.

### KCC to Offer College Credit Courses in H.S.

In order to make attending college easier for members of the local communities, Kirtland Community College offers courses for college credit in area high schools during both the fall and winter semesters.

High schools in Grayling, Houghton Lake, Mio, and West Branch have been established as off campus instructional sites, and each semester a few selected courses are offered.

Persons interested in taking off campus courses should check their local newspapers in August for announcements, or call the college's Instruction Office at 517-275-5121.

**EAGLES DONATE TO HATCHERY**—Dennis Henning of the Grayling Eagles Club #3465 along with his daughter present a check to Bob Smock, Jr., Grayling Fish Hatchery Committee Director, and Howard Hatfield, Fish Hatchery Manager. Attendance at the hatchery after the July 9-10 weekend reached 13,200.

### "Why I Love Grayling" Contest

There is still time to enter the "Why I Love Grayling" writers contest. At this time we have just a few entries and we know there are many more people who would like an opportunity to tell everyone why they love the Grayling area.

So come on kids, adults and especially you senior citizens - sit down today and tell us in 50 words or less why you love Grayling. Deadline is extended to July 30th - so do it today. Send to:

"I Love Grayling" Contest  
Rt. 4, Box 4424  
Grayling, Mich. 49738

or drop it at the Ice House, 509 Norway, across from DuBois Lumber Co.

### Local League of Women Voters Sought

A public information meeting on the formation of a Crawford County League of Women Voters is scheduled for July 28, 7:30 p.m., at Chief Shoppenagons Hotel.

For the past month a small group of women have been researching the possibility of establishing a League chapter in this area. The group has been in contact with the state League office in Lansing and members of the Grand Traverse Bay League. Two members of the Grand Traverse Bay League will attend the July meeting to explain the purpose and function of a League. In order for a local chapter to be a viable organization a minimum of 20 members is needed.

The League of Women Voters is a non-partisan voter information service involved in researching and presenting factual information on issues that are of a local, state, or national concern. Some of the areas of research involve environmental concerns, juvenile justice, zoning and local government, as well as state and local taxation and school funding.

Crawford County residents interested in knowing more about the league are invited to attend or to call 348-5923. Membership in the League is not limited to women.

### Lottery's New Instant Game

The code word is fun when agents begin selling the Lottery's newest Instant Game, "Loose Change." Players could win up to \$25,000 instantly, and the Grand Prize is \$1,000 a week for life (\$1 million minimum). Ticket sales begin on Tuesday, July 12, 1983.

The lower portion of each "Loose Change" ticket contains six coins, and under each coin is an amount. If the total of all six coins amounts to more than \$1 (i.e., 100), the player wins the prize indicated under the spot marked "Prize".

Extra suspense and excitement awaits the \$25 prize winners who file their claims no later than ten days after the announced end of sales. They will qualify for entry into the elimination drawing to determine the finalists for the Grand Drawing. The top prize in the Grand Drawing will be \$1,000 a week for life (\$1 million minimum), with additional prizes of \$50,000, \$45,000, \$40,000, \$35,000, and \$30,000 to be awarded.

Prizes of 1-Ticket, \$2, \$5, and \$10 may be redeemed by any authorized sales agent. All \$25 prizes must be claimed at any Lottery claim center, and \$25,000 prizes should be claimed at one of the Lottery offices located in Grayling, Lansing, Marquette, Oak Park, Portage, and Saginaw.

Approximately 25,650,000 tickets have been printed for distribution, with over \$10,140,691 in Cash prizes, and over four million free tickets.

### CARD OF THANKS

Many thanks to my son, Chester Johnston for entering my name as the outstanding Senior Citizen of the year for Crawford County for 1983, also relatives and friends who marked the ballots for me.

## GRAYLING TOWNSHIP ANNUAL MEETING

June 25, 1983

The 1983 Annual Meeting was called to order by Chairman Bernard Fowler at 1:00 p.m.

Persons in Attendance: Jackie Bonkowski, Bill Bonkowski, Marvin Hallett, Ruby Reetz, Bob Chappel, Mary Cecil, Bud Joyce, Barb Sojka, B.J. Fowler, Monica Ashton, Walter Allington, Sharon Ruhl, Joyce Easterly, Charles Easterly, Carl Peltant, Beth Wieland, Lois Low, Ernest Low, Ted Johnston, Ethel Wilson, Cynthia Jacklyn, Bill Wilson, Jerry Jacklyn, Allen C. Carr, Fred Blauw.

Chairman Fowler led The Pledge of Allegiance to the Flag, thanked citizens for their attendance and reminded them that participation in any decision was limited to those holding the qualifications of an elector of Grayling Township. Ruby Reetz presented the Township with an American Flag which belonged to the Crawford County Grange. The Grange was a very influential group in the early days of this community. The Crawford County Chapter has disbanded but the flag will now have a permanent home with the Township. As we pledge our allegiance may we reflect on our forefathers who stood before this flag, men and women without whom this community would not be what it is today.

Clerk Ashton read the minutes of the 1982 Annual Meeting. Motion by Jackie Bonkowski, supported by Elizabeth Wieland that the minutes of the 1982 meeting be approved as read. All ayes. Motion carried.

There were no petitions or correspondence. The financial statement is included in the packet already distributed containing the agenda and proposed budgets.

Old Business:

1. Mary Cecil requested that a representative of the Township cordially ask Larry Wakeley to move his cars further back from Whirlpool Road. Chairman Fowler stated that this has been done several times and that although Mr. Wakeley's property and business is a non-conforming use it is protected by the grandfather clause and nothing can legally be done.

New Business:

2. Fowler indicated he would be recommending the Board continue to hold their regular meetings on the second Tuesday of each month at 7:30 p.m. Dates for the next fiscal year will be: July 12, August 9, September 13, October 11, November 8, December 13, January 10, February 14, March 13, April 10, May 8, and June 12. The Annual Meeting will be Saturday, June 30, 1984 at 1:00 p.m.

3. A recommendation would also be made to authorize the depository of funds in all five financial institutions: Gaylord State Bank, Grayling State Bank, Northern National Bank, Great Lakes Savings and Wurtsmith Credit Union.

4. Fowler stated that the Township has three road projects underway. They are Circle Court, Woodleaf Drive and Sherwood Forest. Bud Joyce asked about this percentage breakdown of the road projects. It is: Township 50%, Road Commission 25%, Special Assessment to benefit property owners 25%. The Special Assessment is normally spread over three years and added to the tax bill with no interest.

The Road Commission is going to pick up the entire cost of Staley Lake Road improvement less blacktopping. Also, the Road Commission will take care of the improvement and maintenance of Jones Lake Road as long as the residents don't request blacktop.

5. Don Welser made a motion recommending that the Grayling Township Board take the proposed Grayling Township Zoning Ordinance to a vote of the people prior to passage. Elizabeth Wieland noted that the cost of a Special Election on the above motion would be prohibitive. The next general election is November 1984. The proposed ordinance is scheduled to be presented to the Township Board by the Grayling Township Planning Commission for action on July 12, 1983. Motion supported by Jerry Jacklyn. Ayes - 10, Nays - 10, motion failed.

Annual Meeting recess at 1:30 p.m. to hold hearings on proposed budgets for 1983-84 fiscal year.

### PUBLIC HEARING

The first hearing of the Federal Revenue Sharing Budget 1983-84 opened at 1:30 p.m. to review and receive comments on revenues and expenditures proposed for the Federal Revenue Sharing Fund. The 1983-84 Federal Revenue Sharing Budget is \$14,200. All revenues are being proposed for the Fire Department. Chairman Fowler stated that it appears the Federal Revenue Sharing Budget will be continued at least one more year. Hearing closed at 1:35 p.m.

### PUBLIC HEARING

Hearing opened at 1:36 p.m. to review and receive comments on revenues and expenditures proposed for the General Fund and Liquor Fund.

General Fund - 1983-84 Proposed Budget \$325,131.95  
Fowler explained the Township adopts a general government type budget so all expenditures from line 25 thru 60 would be adopted as one line item and the various line items from 62 through 73 would be adopted in addition to general government.

All revenues in the General Fund were reviewed and explained. The expenditures in this fund were also reviewed and explained.

Chairman Fowler noted that the receipts for the Refuse Transfer Station would be minimal for 1983-84 as the Grayling Township Board unanimously voted recently to provide free compactor service to Grayling Township residents or taxpayers beginning July 1, 1983. Tickets for twenty dumpings currently cost \$1.00. Starting in July residents will receive a free annual ticket. Fowler said the Township will not lose a lot of money providing the service and will save some office costs by giving out annual tickets.

Elizabeth Wieland questioned whether the transfer station is for commercial use as well as residential? Yes, business owners may use the transfer station, however, commercial refuse haulers will be charged a fee.

Chairman Fowler explained the line items to do with summer tax collections. The Township made an agreement with Crawford AuSable Community Schools and C.O.O.R. Intermediate School District to collect summer taxes for a fee of 1.1% of total taxes collected. It is approximated that this amount would come to \$9,000, and would cover the expenses of collection which include: estimated 36% increase in treasurer's workload and thus adjusted salary, Deputy Treasurer wages, computer service, postage and office supplies. These items will be set up as separate accounts to provide figures for estimating future bids for the summer tax collection.

Don Welser questioned whether the electrical inspection fees cover the budget expenditure for electrical inspector? Chairman Fowler stated this is, for the most part, a break even item.

Don Welser asked about the large increase in phone expenses for 1982-83. The Township bought its own telephone system from General Telephone when the offices were moved to the M-72 West Plaza from City Hall.

Mary Cecil asked if the meeting room in which this meeting was being held was included in our lease. Chairman Fowler explained it is not but we have its free use until which time it may be rented by someone. The Township is studying whether or not we should include it in our lease. The cost seems high but one should keep in mind that it would be used by the Grayling Township Board, Grayling Township Planning Commission, Board of Appeals, Board of Review, and possibly even for elections.

Fred Blauw asked the reason for moving the Township offices. Jackie Bonkowski explained it was increased office and storage space required particularly since we have added the summer tax collection season. The Township did try to negotiate for more office space with the City but there was none available.

Mary Cecil recommended to the Township Board that it be publicized if the Township is considering renting the meeting room in the M-72 West Plaza. Chairman Fowler noted that we are involved in litigation at present because of the small meeting space provided for the public in previous years during Board of Review sessions.

Chairman Fowler noted that the street lights on I-75 Business Loop North (Old 27) are no longer a special assessment. The Township has picked up the cost because of the increase in both residential and commercial use of that area.

Jerry Jacklyn asked why there is a request for \$500. for refuse collection in the budget in addition to the refuse transfer station? Chairman Fowler explained that from time to time the Township is called upon to clean up illegal trash dumpings in the Township. There was no expenditure for this in 1982-83 as Supervisor Fowler and often times Bob Chappel have used their vehicles and made the cleanups at no charge. The Township Board feels, however, that as a precaution there should be a reasonable amount in the budget for any emergencies of this type in the future.

Chairman Fowler noted that the requested increase in funds for the cemetery as compared to 1982-83 expenses is that crews from Camp Lehman have provided needed labor for a very low fee. However, there is no certainty that this service will continue.

Don Welser requested explanation of the \$13,800. set aside for Transportation Authority. The \$13,800 is the Township share of the proposed 1983 Transportation Authority Budget to be used for the airport. This is 23.3% of the total Transportation Authority Budget. The formula is based on 1982 State Equalized Value (including industrial and commercial facilities.) For 1983 this formula would be: County 67.9%, City 8.7%, Township 23.3%. The 1983 Transportation Authority Budget has not been adopted at this time. Fred Blauw asked if the Township would consider contributing to the Grayling Fish Hatchery if it came down to a point of closing unless additional funds could be found. Chairman Fowler stated the Board considers all such requests.

Liquor Fund 1983-84 Proposed Budget - \$5,423.95.

These restricted revenues are being proposed for liquor law enforcement. The fund balance is still the result of the license that was held in escrow a few years ago.

The Township Improvement Revolving Fund has a balance of \$123,621.79. Most of this fund is invested in money markets and certificates presently from four of the local financial institutions.

Hearing closed at 2:05 p.m.

Annual Meeting resumed at 2:05 p.m.

6. Jerry Jacklyn asked whether the Township uses aerial photos and if so, how is it reflected in the budget? Chairman Fowler does fly over the Township on occasion to locate buildings which may have gone up without permits, zoning violations and environmental problems. The cost of the flight is charged to mileage at \$.23 per mile and since Fowler is a member of a flying club the cost averages out to less than if he were to drive through the Township. Occasionally polaroid photos are taken from the air and the film is charged to office supplies. Don Welser asked that the Township get a legal opinion on the legality of aerial photography relating to assessing and zoning violations. Chairman Fowler noted that without the flights and aerial shots it would have been difficult to show the DNR the problem at Spider Cut on the AuSable which was a partial man made re-routing of the river. The aerial shots were taken to Lansing and helped convince DNR officials that something had to be done.

7. Don Welser asked about the legality of transferring funds from the General Fund to Township Improvement Fund and back again. Yes, these funds are transferable by Township Board action.

Chairman Fowler thanked everyone for attending and urged them to attend regular Township meetings as well.

Motion by Jackie Bonkowski, supported by Elizabeth Wieland that meeting be adjourned. All ayes. Motion carried. (2:43 p.m.)

Respectfully submitted,  
Monica Stephan Ashton  
Clerk

Thoughts and good health to Raymond Denno and Evelyn Brown.

Hi kids, the Frederic Community Library has started their summer film. At the town at 1 p.m. There is two films, story time and a snack. No charge, lasts 1 hour. Tuesday. This weeks film is "Curious George Rides The Bike" and "I'm No Fool With Fire". So come out and bring your friends. Hope to see you there. More information you can call 348-8778 and ask for Barb. The reading program is still going, you have until August 26 for that.

Last Wednesday seventeen residents and three helpers from Timberview, Manor and Commons went to the Fish Hatchery in Grayling and then on to Higgins Lake where we enjoyed a picnic and some ball playing and visiting, then on to Weyerhaeuser for a tour from the bus and then on returning home we stopped at the Dairy Queen. A beautiful day we had, and a grand time had by all.

Friday afternoon Judy Hulbert and sons Eric and Travis and daughter Kristi and cousin Nikki Sloan, Eva Hulbert went to the Hillside Farm in Grayling, the children enjoyed the animals and getting to feed them, and we enjoyed Beth Boone for showing us around, later in the evening with Pastor and Mrs. Robert Taylor and Mr. and Mrs. Walter Desnoyers had a birthday cake and ice cream for Travis who turned 2 years old. His mother made him a special clown cake.

## Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

The old adage "You can learn something new every day" was once more appropriate. The tall shrub or small tree I and many others have called Thorn Apple is not an apple but a Hawthorn. There are, it seems, more than a hundred species growing in North America, and it is possible there may be as many as 1,000 species depending on which Botanist you talk with. It seems there is frequent hybridization complicated by much individual variation which confounds accurate identification so, for we amateurs, it is best to simply call them hawthorns without any attempt to be more specific. Whatever you wish to call them, they are described as being very dense, thorny shrubs or small trees. They are the only simple-leaved plants with non-leafy thorns mostly over one inch long. Identification of the Hawthorn is easy, especially if you walk into one of those thorny devils. The flowers are borne in clusters of white, pink or red flowers which are from less than half an inch to an inch in diameter. The fruit is attractive to various forms of wildlife and especially to ruffed grouse and deer. Since they produced abundant flowers just a short time ago, it would appear that much hunting will center on the thorn apple (Oh, pardon me!), Hawthorn thickets, this fall.

## Michael Hoag Graduates From Lackland AFB

Airman Michael V. Hoag, son of Vern Hoag, of Grayling, has graduated from the U.S. Air Force security police specialist course at Lackland Air Force Base, Texas.

Graduates of the course studied systems security operations, tactics and weapons training and earned credits toward an associate degree in applied science through the Community College of the Air Force.

His wife, Tracey, is the daughter of George Fenton of Grayling.

He is a 1981 graduate of Grayling High School.

## Mercy Hospital Auxiliary News

Our 7th Annual Tag Day is now history. We extend our sincere thanks to those merchants who allowed us to stand near the entrances to their business as we encouraged all who got close to us to support our work. As the day progressed it was most encouraging to see everyone wearing our red flowers. Thanks to one and all.

This week is our time to relax. A picnic-pot-luck will be enjoyed by our members on Thursday, July 14th, beginning at Noon. We realize all of our ladies cannot possibly attend all of our meetings, therefore this annual social is planned and we encourage our members to come. Bring a dish to pass and your own table service.

Adult women in this area interested in doing volunteer hospital work are most welcome to join this auxiliary and assist us in our work. Call 348-8207 for information on joining or the picnic.

Rosalina Matyn

## Announce Engagement

Lila Golnick & Claude (Buno) Golnick, of Grayling, are proud to announce the engagement of their daughter, Kay Lynn to Tracy Steven, the son of Mr. and Mrs. Jerry Fagan of Grayling.

An August 26th wedding is being planned.

## Chamber Chatter

By Joyce Kolka

The Milltown Festival and AuSable International Canoe Marathon are the major topics this week as times have been set for all events and a program is in preparation.

The variety of programs is the result of hard work by a dedicated committee which has met regularly all winter and spring. Under the chairmanship of Col. Ivan Gwilt, the group reached out to many organizations in the area to back specific parts of the schedule.

It would seem appropriate this week to highlight some of the events which need advance volunteers or heavy local participation. The Boosters Club will conduct a grease pole walking contest at the City Park on Saturday, July 30 at 4 p.m. The Kid's Day program on Wednesday, August 3 will feature a clown face painting session from 10 a.m. - 12 Noon with the Kid's Parade beginning at 1 p.m.

The evening walk in costume and the ice cream social-square dance program at the end of the walk will be featured on Thursday, August 4, which is Heritage Day in Grayling. On Saturday, August 6, the Milltown Run, parade, softball tournament, pet fashion show and animal frisee contest will all be held.

In each of the above events, heavy participation is necessary either as spectators or in participation.

Advance agreement to participate is necessary for some of the events to assure that time slots are full and a meaningful program will be held. Some of those include the Dunk Tank on July 30 and Aug. 6, the Milltown Run (on the scene registration is also acceptable), and the Tennis Tournament. Citizen of the Year award on Monday, August 1, at 6:00 p.m. will require a special type of advance work. The award will be made at the Potluck Dinner to be held at Hanson Hills. Nominations must be made by advance letter to a committee (see article in this week's Avalanche).

Any persons interested in participating in these events should contact the chamber office and we will direct them to the appropriate chairperson for the specific program.

It should be emphasized that all of the events that will be listed in the printed program need heavy audiences to be successful. The attempt here has been made to list those events where if there are insufficient volunteers there will be no activity.

There will be more details about Milltown in future Chamber Chatter columns.

The Chamber Executive Committee recently gave approval to extending the weekly program on WKNX radio in Saginaw for the fall. Their feeling was that there are many fall activities such as hunting and color tours which need promotion downstate.

As plans were being made for the Citizen of the year award, it occurred to the committee that there is not an accurate list of citizens who have received the honor in the past. It would be appreciated if anyone has the name and year of an award if they would contact the chamber office.

The Chamber Executive Committee met recently with the president of the Mich. Snowmobilers Association to explore the feasibility of beginning a chapter of the organization in the Grayling area. All signs point to an affiliation since member comments have been very favorable. The final decision will be announced in a later column.

"This week our hats are off to Kathy Ashton who with her husband Greg are the owners of Spikes Keg O' Nails. Kathy is Secretary to North Michigan Land and Oil, Secretary for the Grayling Promotional Association and last but not least, the Second Vice President of our Chamber of Commerce. As you can see, Kathy is a very civic minded person and is striving for a better community. When meeting Kathy on the street this week, give her a pat on the back, she truly deserves it. Our hats are off to you, Kathy!"

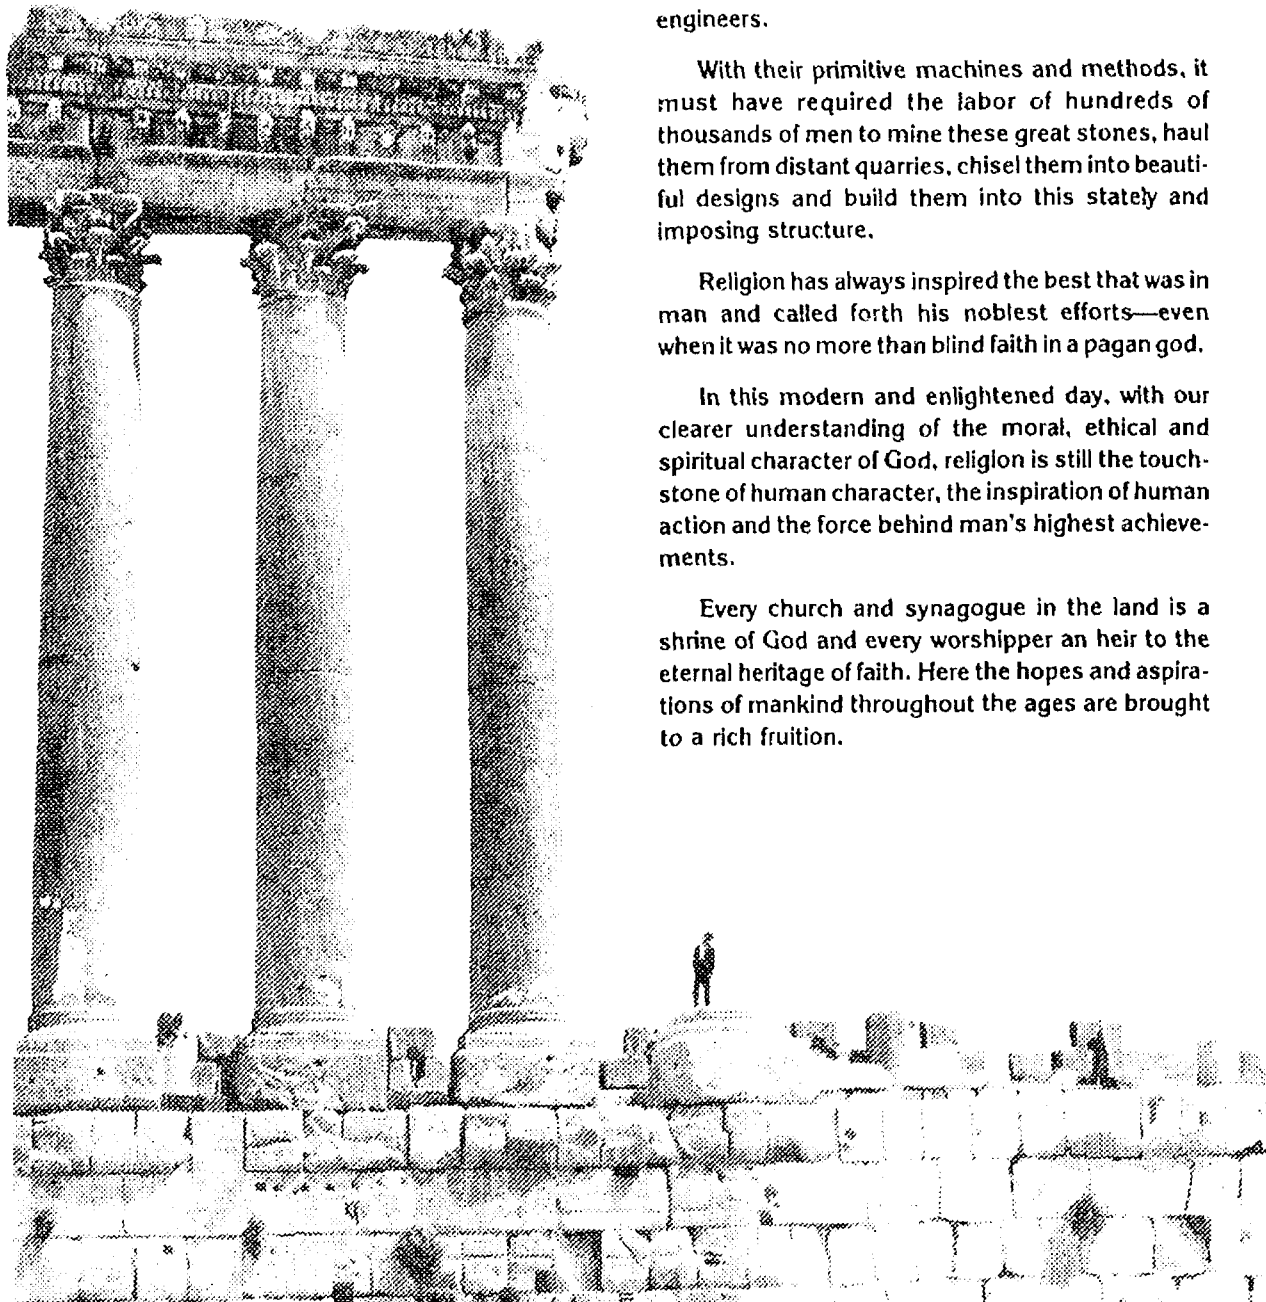

New members joining the Chamber this week are: Barry, Marilyn and Treva McClanahan of Bear Country Inn; Rick and Mark Harland of Milltown Traders; Norm Poppler and Rex Headapohl of Grayling Floor Covering on M-72 West. Welcome aboard, folks!

Proceed with confidence in handling job responsibilities. Keep your mind on the business at hand and don't set impossible goals.

## Attend the Church of Your Choice

CRUMBLING  
RUINS

These crumbling ruins of the ancient Temple of Jupiter at Baalbek in Syria, excite the wonder and command the admiration of modern architects and engineers.

With their primitive machines and methods, it must have required the labor of hundreds of thousands of men to mine these great stones, haul them from distant quarries, chisel them into beautiful designs and build them into this stately and imposing structure.

Religion has always inspired the best that was in man and called forth his noblest efforts—even when it was no more than blind faith in a pagan god.

In this modern and enlightened day, with our clearer understanding of the moral, ethical and spiritual character of God, religion is still the touchstone of human character, the inspiration of human action and the force behind man's highest achievements.

Every church and synagogue in the land is a shrine of God and every worshipper an heir to the eternal heritage of faith. Here the hopes and aspirations of mankind throughout the ages are brought to a rich fruition.

## Crawford County Board of Commissioners

(Synopsis — 5/26/83)

The May 26th, 1983 Meeting of the Crawford County Board of Commissioners came to order at 9:30 a.m. with all the commissioners present. Twenty one visitors attended at various times. The minutes of 5/10/83 were approved, with the correction that the motion authorizing signing of the Agreement relative to disposition of monies from prosecution of welfare fraud cases was seconded by Miller. The corrections made on 3/8/83 to the 2/24/83 minutes, which were inadvertently rescinded on 5/10/83 were re-approved.

Payment of \$841.95 for maintenance on the Sheriff's Xerox copier and a \$100.00 ad in the Crawford County Fair Book were approved, after which guidelines for the Economic Development Fund Committee were accepted as presented by Housing Director, Randy Thompson. Thompson also briefed commissioners on the status of the Michigan Youth Corps.

Among the forty one pieces of correspondence reviewed, was one to Senator Binsfeld from the Grayling Chamber of Commerce supporting the Fish Hatchery Project. The Chairperson was authorized to send a similar letter on behalf of the Board. Commissioners also supported Resolutions advocating State funded jail improvements and continued registration of Sanitariums. They adopted Resolutions supporting a Joint Property Tax Proposal Committee and the Natural Gas Consumer Relief Act, and opposing the 1983 Supplementary Appropriation to the International Monetary Fund. The Board also approved a Resolution defining the Scope of Authority of County Officials and Employees. A proposed ordinance prohibiting filing of false police reports was tabled pending a legal opinion.

Items reviewed in Committee reports included: DEPARTMENT OF SOCIAL SERVICES: distribution plans for surplus food, emergency food and food and shelter, problems in distribution of food stamps, case loads, storage of perishables and need for a volunteer action agent and retaining of a full time D.S.S. Director.

MENTAL HEALTH: legislation regulating transporting of clients for psychiatric evaluation and structure of State and four-county Mental Health Boards.

DISTRICT HEALTH: Cadillac sewer project, certification of sanitarians and State budget cuts.

RC&D: Jobs Bill provided Huron Pines with \$185,400.00, stumpage prices, erosion problems and re-routing of horse and hiking trails reviewed.

BLDG. & PERSONNEL: phone analyses reviewed, and no objection raised to installation of eaves troughs behind the Lottery Office.

EQUALIZATION & APPORTIONMENT: State has accepted the County Equalization Report.

NEMCOG: Overlap of jurisdiction between NEMCOG, NEMSCA and the Manpower Consortium discussed. Their functions are planner, housing and teacher respectively, and corrective action on duplication is underway. Mattis will represent Crawford on Northeast Michigan Development Committee.

2ND REGION OF MAC: MAC Legislative Platform reviewed.

INSURANCE: hospitalization under self-insurance being studied.

DPW: A landfill well which is not clearing up is being monitored frequently. The Treasurer was directed to pay the outstanding AIS equipment repair bill. (A later motion to rescind this authorization failed.) Bonding of the old landfill through an outside insurance policy was authorized, and the Crawford/Osego Landfill Agreement was approved with the stipulation that membership shall be four persons. Crawford's share for repair to the entrance road was estimated at \$2000.00, and warranties on the machinery and status of bookkeeping procedures were also questioned.

MANPOWER CONSORTIUM: Service Delivery Areas are not yet finalized, and time table for PIC's eight weeks behind schedule. Crawford will be represented on PIC.

COUNCIL ON AGING: Current projects were outlined by NEMSCA, noting that there is no Civil Defense facility included in plans at the Senior Center.

FISH HATCHERY: Execution of the lease for fish and submersion of a \$4000.00 loan request to the Economic Development Strategy Committee to relieve cash flow problems were both approved. Manager Howard Hatfield was placed on the county payroll until no later than 11/1/83, with monies to come from Fish Hatchery funds. It was determined the Hatchery would open 5/28/83, and hiring of a security guard was tabled pending securing of the loan and information on the status of the Michigan Youth Corp.

SHERIFF'S REPORT: No objection was raised to placing "no trespassing" signs beside and behind the jail. Sheriff reported on the Neighborhood Watch Program, problems with jail capacity, particularly with female prisoners, items for auction, availability of D.N.R. funding for a motor for the Marine Patrol Boat, and his follow up on allegations of drag racing between deputies.

CLERK'S REPORT: The purchase of five plat books for the Planning Commission at \$9.00 each, waiving the County's \$1.00 fee, was approved, along with a request to place the switchboard position under the Clerk's Office, combining it with additional duties and reclassifying the position an 06. A special millage election for fire protection has been requested by Maple Forest Township, and a \$169.68 adjustment will be received from the maintenance cost on the Lottery Lease.

TREASURER'S REPORT: Maple Forest Township has been requested to submit funds to cover the Bradford Lake Drain Order, the auditors are finalizing their report for presentation, and jurisdiction of collecting outstanding personal property taxes was reviewed.

IN OTHER BUSINESS, THE BOARD:

- was presented a new flag by the Disabled American Veterans.
- reviewed a legal opinion relative to the Open Meetings Act.
- authorized payment of \$30.00 to a citizen for chickens destroyed by stray dogs.

- reviewed the Chairperson's authority in having removed a commissioner from the Labor Committee, and the events leading up to the action. Assistant Prosecutor Sabin's opinion was that the Chair was authorized to appoint, and therefore remove members from standing committees. He also indicated that normally Board Rules and Procedures remain in effect unless revoked, repealed or amended. Sabin was asked to obtain a written opinion from the Attorney General's Office relative to the Chair's authority to remove a committee member without Board approval.

- reviewed the Environmental Impact Statement for the construction at Camp Grayling, and requested Col. Gwilt to attend a meeting and reserve the right to comment past the published deadline.

- established membership on the Statutory Finance Committee with the same three members appointed 1/11/83. (Joyce, Mattis and Welter)

Meeting adjourned at 6:21 p.m.  
Jeannette J. Kitchen, Chairperson  
Elizabeth H. Wieland, Clerk

### Commission Order CFI-104.82A

(Under authority of Act 165, P.A. 1929 and Act 230, P.A. 1925, as amended)

### Statewide Trout and Salmon Regulations

The Natural Resources Commission, at its meeting on December 4, 1981, under the authority of Act 165, P.A. 1929, as amended, and Act 230, P.A. 1925, as amended, ordered that for the period beginning April 1, 1982, and ending March 31, 1984, no person shall take, or attempt to take, any species of trout or salmon from any of the waters of this state except by hook and line during the open seasons prescribed, and within the minimum size limits and maximum possession limits indicated below.

Statewide open seasons on all streams and designated trout lakes shall be from the last Saturday in April through September 30 (longer on waters designated by the Director for extended fishing under Act 185) on all trout and salmon. Statewide open seasons on all other inland lakes and the Great Lakes shall be any time for all trout and salmon. Size limits shall be 8 inches on Lower Peninsula streams, 7 inches on Upper Peninsula streams, and 10 inches on lakes. The daily POSSESSION limit for trout and salmon shall be 5 fish singly or in combination but no more than 3 lake trout or splake, except that an additional 5 brook or brown trout may be taken from streams from the last Saturday in April through September 30 only and no more than 2 lake trout or splake may be taken from Lake Michigan or its tributary streams.

This order amends and supersedes Natural Resources Commission Order CFI-104.82 dated December 4, 1981.

## Hanson Park, A Place To Spend a Lazy Summer Day

Does the heat have you down? Did you set around the house last weekend wondering what you might do to relax a bit and escape the heat? here is a suggestion. Why don't you drive out to Hanson Park, your community recreational facility. There's not a whole lot to do, but it is peaceful and pretty, a great place to relax and let the cares of the world and the heat of the day fend for itself. There are pedal boats to ride, hiking trails through a cool woodland setting, horse shoes to pitch, picnic tables to lunch on and a golf driving range. So how about it, this weekend when the heat starts to get you down, drive out to your park and look around, see some of the progress which has been made at turning Hanson Park into a year-round recreational facility for the residents of our community.

## Cornell Tennis Tournament At GHS Courts July 30, 31

The Cornell Tennis Tournament will help kick off the Milltown Festival with men and womens singles, doubles, and mixed doubles July 30 and 31.

The Grayling tournament, with divisions for all ages, will also feature two special contests - a sudden death competition matching players in tie-breakers and a serving contest.

Entry blanks are available at the Grayling Chamber of Commerce or the Crawford County Avalanche.

Call the Chamber at 348-2921 or write Grayling Chamber of Commerce, P.O. Box 406, Grayling, MI 49738. Entry deadline is July 29.

The tournament is sponsored by Cornell Realty and Cornell Insurance of Grayling.

## Police

(Continued from Page 1)

The sheriff dept. is still investigating the felonious assault of a woman between Lewiston and Lovells on April 4 and are requesting assistance in locating a witness to the crime. An unknown male traveling along County Rd. 612 stopped at Lovells that morning to report what he believed was a car accident. The man said he was enroute to a hospital and was driving a station wagon with several other persons in it. The man was about 40 to 45 years old, 5' 4" and about 130 pounds. Anyone with information about the possible witness should call the sheriff dept. 348-6341.

## Blood Bank

(Continued from Page 1)

So, dear Blood Donors, mark your calendars for Wednesday, July 20th. The Bank will be from 12 Noon until 6 p.m. at the American Legion Hall in Grayling.

Remember, the Dial-A-Ride operators will come and pick you up, take you to the Legion Hall and bring you back home - FOR FREE - if you come to give a pint of your life saving Blood! Just dial 348-5409.

This will be the first bank in the 1984 Red Cross fiscal year which began July 1st. Let's get off to a good start! Let's make this the biggest Blood Bank in Crawford County's outstanding history of generous Blood Donors!

Let's show those "chicken hearted" Donors from "down below" what we Northern Michiganders are really capable of doing when the chips are down!

## Musicians

(Continued from Page 1)

The purpose of the Grayling Area Community Band is twofold. First of all, to provide an opportunity for those who would like to play their band instrument once again to do just that. The rehearsals are not demanding and the music is not too difficult, so anyone should be able to enjoy themselves musically, even if it has been 30 years since they played in their high school band. The main idea is that everyone have a good time playing. The second reason for the band is to provide entertainment for the residents of our community who do not play an instrument but do enjoy listening to bands play. If the band continues to grow as it has during the past couple of weeks, it is possible that the group will perform a short concert before the summer is over.

However, at the present time, additional musicians are needed to help fill out some of the instrumental sections. So, if at one time you used to play in a band, and would like to try it again, why don't you join the group at Hanson Park on Thursday evenings. There is no charge or commitment on the part of any of the musicians. For more information, call Hanson Park at 348-9266.

## Mercy Offers Charity Care

Grayling Mercy Hospital will make available for the fiscal year July 1, 1983 to June 30, 1984, \$135,500 of Hill Burton Charity Care.

Charity Care will be available on a first request basis to eligible persons needing care who are unable to pay for hospital service until the facility's annual compliance level is met. Eligibility for charity care will be limited to persons whose family income is not more than the current Poverty Income Guidelines established by the Community Services Administration.
